WHY CHOOSE TEXAS STAR?

Texas Star Pharmacy is built on one philosophy; that our patients' health and well-being are our primary focus. We are committed to delivering the best quality solutions for our patients' health at the best possible cost. We ensure the best solutions through our compound pharmacy, allowing us the ability to create new medications suited for your needs.

Licensed states highlighted blue

OUR SERVICES

MORE THAN JUST A PHARMACY

At Texas Star Pharmacy we ensure you and your family receive the best possible care. We have a wide range of services offered to all our patients. Including: **Compounding, Free Local Delivery, Medication Synchronization, Immunizations, DME Equipment, Medication Part D Counseling, Mobile Application, Travel Health, Lab Tests, Health Screenings, Specialty Vitamins, Prescription Cost Review and more**

Customization

Our pharmacy can offer customized medication for you. We use the highest quality raw materials to prepare your medication precisely targeted to the individual.

Innovation

Texas Star Pharmacy is the innovation leader when it comes to pharmacy in Texas. We pride ourselves on staying ahead of the game to keep you and your family healthy. Our expert pharmacy staff adapts and evolves to stay leaders in the industry.

Collaboration

Let our staff work with you to put you in charge of your health. Our goal is to work directly with our patients to make sure they are aware of the medication they are taking.

HOW TO ORDER COMPOUNDS

3 EASY WAYS TO ORDER QUALITY COMPOUNDED MEDICATIONS

1 ORDERING THROUGH YOUR ELECTRONIC MEDICAL RECORD SYSTEM

LOCATE TEXAS STAR PHARMACY IN YOUR EMR

Texas Star will be available in your EMR system as identified below:

Texas Star Pharmacy
3033 W. Parker Rd #100
Plano, TX 75023
NCPDPC Number: 5925396

SELECT DRUG AND PROVIDE DOSING INSTRUCTIONS

Formula Known: Select the closest commercial drug (or any), and in the free text section please note: compound XYZ formula with sig (if known)

Formula Unknown: You may note, "please compound alternative to [drug name] due to... (must list reason for need to adjust formulation such as: allergen/dietary/paraben/filler concerns/strength of > than 10% etc.)

SELECT DRUG AND PROVIDE DOSING INSTRUCTIONS

- Patient allergies or NKDA must be included for a complete patient profile
- Bill: Patient or Clinic
- Ship to: Patient or Clinic
- Optional: If the patient is unreachable, ship to verified address on RX

2 FAX YOUR COMPLETED RX ORDER FORM

Fax a completed ordering form to (972) 519-8477

3 GIVE US A CALL OR EMAIL

Call us at (972) 519-8475
